

“Sleepless Nights”

by David Beaty, copyright 2017

Opening narration:

Binky Nightshade has been a hustler all his life.

He’s lied and cheated his way through existence without ever losing a minute’s sleep.

Until now.

Time has decided to teach him a lesson he will never forget.

In the Twilight Zone.

Closing narration:

Portrait of a man who thought his bills would never come due.

Binky Nightshade found that little piece of hell where sleep can never exist.

A place where his eyes are forever open in the Twilight Zone.
